

FRONTIER JEWS & BLACK CATHOLICS

New Books in
American Religion

WHAT

Recently, scholars have expanded the study of American religion beyond white Protestants, engaging questions of race, ethnicity, & migration. Professor Elijah Siegler (Religious Studies) will moderate a discussion with Professors Shari Rabin (Jewish Studies) and Matthew Cressler (Religious Studies) about their new books, both recently published by NYU Press, and the expanding field of American religion. Rabin is the author of *Jews on the Frontier: Religion and Mobility in Nineteenth-Century America* and Cressler is the author of *Authentically Black and Truly Catholic: The Rise of Black Catholicism in the Great Migration*. Both will be available for sale and signing.
